A MESSAGE FROM THE DIRECTOR

This 2013 Spring/Summer Activities & Program Guide celebrates the many amenities our department has to offer. We welcome and invite you to take advantage of these fun opportunities. Our "home base" is the Community Center, located at 3800 Veterans Memorial Drive in the Roger A. Reynolds Municipal Park. Our department is responsible for the operations of the Community Center, the Phyllis A. Ernst Senior Center, the Hilliard Family Aquatic Center, the Hilliard East Municipal Pool and all of our public parkland (see our www.hilliardohio.gov for a great map detailing locations and amenities).

The department operates 23 parks (totaling over 316 acres) which include First Responders Park, neighborhood parks, Rails to Trails, a nature trail, fishing ponds, shelter houses, play equipment, tennis and basketball courts, resurfaced and lighted softball and baseball fields, a disc golf course, community gardens in 3 different locations, soccer fields and a large municipal

park, the Roger A. Reynolds Municipal Park-133 acres. Construction is well underway on the Heritage Trail Dog Park and plans for Hilliard's Station Park have begun. We anticipate a ribbon cutting for the new dog park this spring.

This Program & Activities guide is designed to provide you with updated information about the many programs and activities we offer for citizens of all ages. If we can answer any questions for you, do not hesitate to contact us at (614) 876-5200. Please refer to pages 14-15 for a listing of all of the upcoming events that the department is host to, including July 4th in Hilliard, the annual Fall Festival, outdoor movies, concerts and more!

Thank you for your support. Our pledge is to continue to offer the best possible services, facilities, events and activities that make the City of Hilliard a great place to Live, Work and Play!

Steve Mazer, Recreation and Parks Director

CANCELING CLASSES & REFUNDS

All daytime (before 5 p.m.) programs are canceled when Hilliard City Schools closes due to inclement weather. Cancellation of evening programs (after 5 p.m.) is determined by 4 p.m. On Saturdays and Sundays, please call 614-876-5200 by 9 a.m. or visit nbc4i.com or Channel 4 for the latest cancellations.

The City of Hilliard Recreation and Parks Department reserves the right to cancel classes for low enrollment. If a class is canceled due to low enrollment, a full refund is issued in the form of a check or credited to your credit card. No cash refunds are issued. Refund checks take approximately 3 weeks to process and are mailed. Refunds may reflect a processing fee.

Refund requests and/or transfers must be submitted in writing and are made only before the start of the class for one of the following circumstances:

- When a refund is requested at least seven (7) days in advance of the first class meeting, provided it does not reduce the class participation level below the required minimum.
- When documentation is presented for an approved hardship situation (relocation outside a 25-mile radius of the Community Center or a medical restriction), documentation is required.
- Senior Center refunds \$10 or less, a credit is issued to your household.
- If your refund request is for an activity or event for which advance tickets were purchased or reservations made, a refund is not issued unless we are able to re-sell your reservation to a patron on the waiting list. If we are unable to re-sell your ticket, you have the opportunity to offer the ticket to family or friends.
- It is recommended that you purchase travel insurance for tour company scheduled trips as many have rigid refund deadlines.

GENERAL INFORMATION

FAIR SHARE POLICY

The City of Hilliard Recreation and Parks Department is largely financed through city income tax dollars. Therefore, to be considered a "City Resident" in our registration process, you must live within the city limits of Hilliard. "School District Resident" is for those who reside within the Hilliard City School District boundaries but outside of the Hilliard city limits. "Non-resident" applies to all others. Even though you may have a Hilliard mailing address or live within the Hilliard City School District boundaries, you may not live inside of the Hilliard city limits. We ask for your understanding when registering.

Those registering for a program are asked to provide current verification of residency. Hilliard city and school district residents will receive a user name and password for on-line registration purposes once verification of residency has been established (must update annually).

Hilliard city and school district residents have the first opportunity to register for classes and programs. Registration for non-residents is open two-weeks after the initial registration date (on-line registration is not available for non-residents).

YOU SNOOZE, YOU LOSE!

Nothing cancels a good class more quickly than everyone waiting until the last minute to register. If there are not enough registrants by a certain date, the program may be cancelled. Registering on the day of a class does not save a class. Please register as early as possible!

NOTICE TO PARTICIPANTS

Participants must recognize that all classes/activities of a physical nature involve some risk, and by registering for a class/activity of this nature, there is an assumption of risk to the participant. The City of Hilliard Recreation and Parks Department is dedicated to providing safe facilities and equipment as well as qualified staff for all participants. Every effort is made to ensure participant safety and to provide first class recreational activities, facilities and parks. In the event of a serious accident or illness, it is the policy of the City of Hilliard to: 1.) Activate our Emergency Action Plan. 2.) Call 9-1-1, the Norwich Township Fire Department for first aid and emergency treatment. 3.) Reach the parent, guardian or emergency contact as soon as the situation allows.

PHOTO RELEASE

By registering for any Hilliard Recreation and Parks Department program, you agree to allow publication of photos taken at any program, event or facility associated with the City of Hilliard Recreation and Parks Department unless you notify us in writing at the time of registration.

SHARE YOUR TALENTS...TEACH!

Opening Day

Both pools are open the weekends of May 18-19 and May 25-27, Memorial Day. The pools re-open at 3 p.m. for the season on Friday, May 31 (the last day of classes for Hilliard City Schools). See Page 2 for daily hours.

Grab a Towel & Your Pass

Get your pass and have fun all summer long! The fee for a pool membership is determined by the place of residence at the time the membership is purchased.

Annual memberships are issued for the current season.

Children 2 years of age and under as of June 1 are not required to have a membership. Children who turn 3 before June 1 of the current season must have a membership or pay the daily admission fee at the pool entrance.

A family is defined as two adults and children under the age of 21 who live in the same household. Both adults must provide verification of residency before memberships are active.

Wait, there's more!

As an additional benefit to pool members, each household has the option of adding up to two additional guests to their membership package. Add-on guests are not named and are "attached" to the primary household for which the membership is purchased. The primary household is responsible for the conduct of their guests while in the facility. If an add-on pass is forgotten, the guest is required to pay the daily admission (we do not look up add-on passes for admission).

Last Hurrah

The East pool's last day of operation is scheduled for **Monday, Aug. 19**. Lifeguard staff availability will be reduced significantly beginning on Aug. 20, the first day of the 2013-14 school year for Hilliard City Schools. All remaining staff will be scheduled to work at the Hilliard Family Aquatic Center through **Labor Day, Monday, Sept. 2, 2013**, with restricted areas of swimming. Make a note: Beginning Aug. 20, HFAC will open at 4 p.m. during the week. Our number one priority is safety and having the required number of lifeguards necessary for us to operate. HFAC closes for the season on Labor Day.
